

Children's Juices Survey 2014 - All Data

Data table sorted by category, alphabetically, highest sugars (g) per 100ml

Product information was collected online, instore or direct from manufacturers

Colour coding based on new front of pack colour-coded nutrition labelling criteria

Sugars - Red >13.5g/portion or >11.25g/100ml, Amber >2.5≤11.25/100ml, Green ≤2.25g/100ml

*Serving size has been standardised to 200ml, the standard portion size given on 46% of packs.

Although many varieties are available in a 200ml carton size, serving size ranged from 85-500ml and have been recalculated as 200ml for comparison purposes.
